

**MAJOR GRANTS STAGE 2 APPLICATION
HELP INFORMATION TO THE QUESTIONS ON THE FORM**

A. GOVERNANCE AND MANAGEMENT

A1	<p>Please give a brief description of the way in which your organisation is governed and managed.</p> <p>(330 words)</p>	<p>We want to be satisfied that you are a well-run organisation, governed in accordance with best practice standards of a charity, registered company or recognised sector standards.</p> <p>Information about your Board and how your organisation is governed will be in the Trustees Report.</p> <p>Give a brief description of the way in which your organisation is governed and managed.</p> <p>Your description should include: number of trustees; their relevant skills; trustee recruitment process; length of appointment; frequency of meetings; who is responsible for Charity Commission requirements; how the trustees work with the management team to support and guide the work of the organisation as a whole and the work of employees; financial controls i.e. checks and balances in place on expenditure, cheque signatories, internal bookkeeping.</p> <p>If you are a registered charity or company and your record on the relevant authority's website shows you have been late submitting annual returns/accounts within the past three years, you can use your answer to this question to explain why this happened.</p>
A2	<p>How are people made aware of your services?</p> <p>(160 words)</p>	<p>We are interested in your plan to ensure individuals and families know the service is available.</p> <p>For example, you may be advertising in local papers, radio, on noticeboards in your own venue or local community centres, receiving referrals from other voluntary or statutory services, by leaflets distributed through GPs' surgeries, other agencies etc. You might encourage people to attend a support group through street-based outreach work, you might use fun events or informal projects to attract people towards services which address more deep-rooted problems.</p>
A3	<p>How will you encourage people to participate?</p> <p>(330 words)</p>	<p>Making people <i>aware</i> of a project is one thing: actually seeing them <i>participate</i> and engage with your organisation might be quite another.</p> <p>You might have a number of different ways of helping people to take the big step of walking through your doors. You could have staff or volunteers who attend the activities at the beginning with clients, longer standing participants acting as 'peer buddies', reception staff might be trained on how to welcome new members etc.</p>

<p>A4</p>	<p>When was the written safeguarding policy, plus the procedures and measures to implement it, last reviewed?</p>	<p>If you have not reviewed your safeguarding policy and/or held training or refresher sessions within the past 12 months of the date of your application, we regret that your application will be considered ineligible and will be rejected.</p> <p>Your answer to this question demonstrates that you regularly review and update your policy, in line with the circumstances of your organisation, its work and the needs of your clients, staff and volunteers.</p> <p>Use the calendar to select a date by day, month and year. INPUTTING THE DATE MANUALLY WILL CAUSE AN ERROR.</p>
<p>A5</p>	<p>Please describe how you handled any reportable safeguarding incidents within the past 24 months.</p> <p>(660 words)</p>	<p>'Reportable incidents' in this context means all safeguarding issues which were brought to the notice of the management/trustees of your charity and/or statutory authorities such as the police, Charity Commission, social services etc.</p> <p>You should briefly describe the incident (e.g. a client complained a volunteer had verbally abused her), the date it happened (e.g. March 2024), what action was taken (e.g. statements taken from client, volunteer and staff member present; client had been told that her behaviour was putting other clients at risk so volunteer had to tell her she could not access the activity), any additional measures implemented to stop a recurrence (volunteer re-trained, reviewed activity to see if it was appropriate for all clients).</p>
<p>A6</p>	<p>When did you last review the safeguarding policy and record of third party organisations with whom your organisation has a formal connection?</p>	<p>Trusthouse underscores the importance of safeguarding widely. We want to be sure that organisations using third party service delivery partners take every care to be confident that these organisations have strong safeguarding policies and practices in place.</p> <p>Examples of such situations are:</p> <ul style="list-style-type: none"> • Organisations, community centres and family hubs hiring out space to other youth groups, disability support groups, family services, or childcare providers. • Commissioning a finite project or ongoing work with a third-party organisation that works with vulnerable groups e.g. a youth organisation buying in services from a performance therapy company for young people who have had traumatic experiences • The lead partner in a consortium project, responsible for managing a project delivered by several different organisations e.g. a local community project which will use reminiscences gathered by an older people's group to be formed into a multimedia exhibition created by young people under guidance of an external digital media company.

		<p>Use the calendar to select a date by day, month and year. INPUTTING THE DATE MANUALLY WILL CAUSE AN ERROR.</p> <p>If you have not reviewed the safeguarding policy of any third-party service providers within the past 12 months of the date of your application, we regret that your application will be considered ineligible and will be rejected.</p>
A7	Please confirm all your staff/volunteers are vetted through the Disclosure and Barring System (DBS)	<p>If staff/volunteers are not DBS checked, we may contact you for further details.</p> <p>If you are working with children, people with disabilities or any other vulnerable groups, you must have a thorough policy of checking staff and volunteers using the current checking mechanisms available through statutory agencies.</p> <p>In England, Wales and Northern Ireland these checks are carried out through the Disclosure and Barring Service (DBS).</p> <p>In Scotland, you may be using the checks provided by Disclosure Scotland, which includes the PVG (Protecting Vulnerable Groups) system, which for these purposes we will equate to DBS checks.</p>
A8	Number of Staff	Tell us how many staff you have in your organisation. If you have none, enter 0.
A9	Number of Volunteers	Tell us how many volunteers you have. If this is not applicable to your organisation, enter the value 0.
A10	<p>What other local organisations, statutory or voluntary, do you partner with whether formally or informally?</p> <p>(330 words)</p>	<p>We expect that most applicants will be working with other organisations to obtain input on the shape of a project, to identify applicants, to benefit from other organisations' advice and expertise, to demonstrate the standing of your project.</p> <p>We do want to hear about partnerships or existing informal working institutional relationships already in place. You need to name the organisations you will be working with.</p> <p>We are less interested in organisations 'that have expressed interest' as this may not always result in a partnership arrangement.</p>
